5. Images must be submitted through the Hermes file uploading system of the University of Turku at <https://ssl.utu.fi/hermes/> (the recipient's address is makrpy@utu.fi). Maximum file size is 105MB.
6. Each participant may submit up to three images. Each image must be accompanied by a title (maximum 40 characters including spaces), and a creative description of the image and how it was made, which must be in plain English (maximum 600 characters including spaces).
7. Images will be judged on:
 - a. Visual impact
 - b. Informative content
 - c. Technical proficiency
8. Bioimages must be received no later than 16:00 EEST (Eastern European Summer Time) September 5, 2011.
9. Participants whose bioimages are selected for the Exhibition will be notified by September 12, 2011.
10. All submitted files will be retained by the Exhibition Management Group, and cannot be returned.
11. If your image is selected to be exhibited, you agree to give non-exclusive rights to the Exhibition Management Group to use that image how they see fit as part of the Exhibition without prior agreement regarding the size or location of the printed image, and in turn to use the image in non-commercial, promotional material before and during the Exhibition, as well as possible publications pertaining to the Exhibition, that may be produced after the event. In the latter case, the Exhibition Management Group agrees to include full acknowledgement of the source of the image, and to provide the Participants with a copy of the publication as well as details of its circulation.
12. Participants will be contacted regarding bioimage usage rights if the Exhibition Management Group is approached with any commercial offering regarding submitted bioimages.
13. The Exhibition Management Group will not assume any responsibility for loss of or damage to received bioimages.
14. By submitting your images you agree to the Rules of the Exhibition.
